G.O. No. 12244 DIP 70 Dated 27-7-70.

In the G.O. Dated 27-7-70 cited at (1) above the Additional Secretary to Government, Public Works and Electricity was appointed as the Chairman of the State Technical Advisory Committee (Woodsland) and the State Technical Advisory Committee (Soil Conservation) in place of the Chief Engineer (Investigation), Hydro-Electric and Irrigation Projects (defunct). It is considered necessary that the Additional Secretary to Government, Public Works & Electricity is also appointed as the Member of the State Flood Control and Soil Conservation Board. The Governor is therefore pleased to appoint the Additional Secretary to Government, Public Works & Electricity as a Member of the State Flood Control and Soil Conservation Board.

ORDER No. PWD 44 GIP 70, DATED, BANGALORE, THE 27 JULY 1970.

In Government Order dated 21-12-1967 cited at (i) above, the Chief Engineer (Investigation) Hydro Electric and Irrigation Projects was appointed as the Chairman of the State Technical Advisory Committee (Floods) and State Technical Advisory Committee (Soil Conservation). In Government Order dated 9-1-68 cited at (2) the Chief Engineer (Investigation) Hydro Electric & Irrigation Projects was appointed as the member Secretary of State Flood Control and Soil Conservation Board.

In Government Order dated 16-1-70 cited at (3) above, the zone of Investigation of Hydro Electric and Irrigation Projects has been redesignated as Water Resources Development Organisation. In view of this, the Director, Water Resources Development Organisation requests orders of Government reconstituting the Committees and the Board with the Director, Water Resources Development Organisation as Chairman and member Secretary respectively. The question of appointing the Chairman to the State Technical Advisory Committee (Floods) and the State Technical Advisory Committee (Soil Conservation) and the member Secretary of State Flood Control and Soil Conservation Board, has been examined. After considering all aspects of the matter, the Governor is pleased to appoint the Additional Secretary to the Government Public Works & Elec. Department, as the Chairman of the State T.A.C. Floods and the State Technical Advisory Committee (Soil Conservation) in place of the Chief Engineer, (Investigation) Hydro Electric & Irrigation Projects (Defunct) and to appoint the Director, Water Resources Development Organisation as member of these two technical committees and as member Secretary of the State Flood Control and Soil Conservation Board.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

(PUBLIC WORKS & ELECY. DEPARTMENT)

Subject:-Establishment of an Organisation called "Water Resources Development Organisation".

Reference:-1. Government Order No. PWD 144 SCO 67 dated 24-7-67.
2. Government Order No. PWD 60, SCE 69 dated 16-8-69.

ORDER No. PWD215 SCO 69, DATED, BANGALORE, 16th JANUARY 1970.

In Government Order dated 24-7-67 first cited above, sanction was accorded to the formation of Investigation of Hydro Electric & Irrigation Projects zone in lieu of the then existing zone of investigation of Hydro-Electric Projects. The establishment under this Zone was continued from time to time and in Government Order dated 16-8-69 cited second above, sanction was accorded to the continuance of the entire zone with the staff thereunder till the end of December 1969. The question of re-organisation of this zone keeping in view the present day requirement has been carefully examined by Government.

2. At present, there is no Organisation in the State to function on a continuous basis with special trained personnel to be the repository of all information on river valleys in the State to deal with inter-State problems on the Krishna, Cauvery and Godavari basins, to keep and publish records of accurate river gaugings, to investigate projects thoroughly and to keep "Water Account" of river flows in general.

3. After careful consideration, it is decided to create an organisation called "Water Resources Development Organisation" to perform the functions relating to (1) Krishna-Godavari dispute and allied matters, (2) Cauvery disputes, (3) River gaugings, (4) Investigation of Projects and (5) Water Account of river valleys in the State.

4. The re-organised set up will include the staff, sanctioned in Government Order (1) for the Investigation of Hydro Electric and Irrigation Project Zone and (2) the staff sanctioned for the Technical Cell in the Public Works Department Secretariat for Krishna-Godavari Water Dispute. It will be headed by a Director/Chief Engineer with four circles as under:-

1. Krishna-Godavari Waters Unit, (One Circle).
2. Cauvery Waters Unit plus works of designs of projects under investigation including Kalinadhi Project (One circle).
3. Investigation of projects and river gauging unit (2 circles).

5. The Governor of Mysore has been pleased to sanction the formation of the above new organisation to be called "The Water Resources Development Organisation" for a period of one year from 1-1-1970 in lieu of the Investigation of Hydro Electric and Irrigation Projects Zone and the Technical Cell in Public Works Secretariat. The present staff of the investigation of Hydro Electric and Irrigation Projects Zone and that of the Technical Cell Public Works & Electricity Department Secretariat shown in the schedule (1) and schedule (2) respectively, shall be deemed to have been transferred and

Contd.....

continued in the new organisation with effect from 1-1-1970.

6. The expenditure on account of the salary and allowances of the staff of the new organisation shall be continued to be debited to the respective heads of account as at present under the Investigation of Hydro Electric and Irrigation Projects and the Technical Cell till the end of March 1970. The details of the staff of the Investigation Zone and the Technical Cell transferred to the new organisation with effect from 1-1-70 is indicated in the statements appended to this order.
